Primary Data

In addition to the above secondary data, we conducted in-depth interviews with 26 entrepreneurs, an East African angel investor, 3 incubators and a competition organiser over the period from November 2017 to January 2018. Details of the 26 entrepreneurs and 38 others are on a database referenced below:

Shanmuganathan, A., Kalwizira, G., Bendel, A. (2018). *Database of Dar Entrepreneurs* [Database] Dar es Salaam.

For requests on this primary data, please contact us directly of this as some of this material is sensitive and cannot be publicly disclosed.
